

This document constitutes a Memorandum of Understanding (MoU) between TNS India Foundation (TNSIF) and **Arya College of Engineering, Jaipur**

This MoU is effective from **21st December, 2023** hereinafter mentioned as "Effective Date" by and between **Arya College of Engineering, Jaipur, (ACE)** affiliated to the **Rajasthan Technical University-Kota** and hereinafter referred to as "The College", represented by **Dr. Arvind Agarwal, President, Arya Group of Colleges -Jaipur**

AND

TNS India Foundation, a charitable organization registered under section 25 of the Companies Act 1956, having PAN number AAECT4021D, and having its registered office at 302, Wellington Business Park 2, Andheri-Kurla Road, Andheri East, Mumbai- 400069, Maharashtra, India, hereinafter referred as "TNSIF", represented by its **Managing Director, Rupa Bohra**.

Background

TNS India Foundation (TNSIF), a section 25 Company incorporated under the provision of The Companies Act, 1956 is conducting a "Campus to Technical Career [C2TC]" for the enhancement of employability and workplace skills for deserving youth.

In this connection, TNSIF intends to be associated and work closely **with Arya College of Engineering, Jaipur** to conduct employability training for the Final year college students. This will include activities throughout the year. Further, TNSIF will continue to support trained students on placements opportunities for 6-10 months post their final examinations

Facets of the Program:

1. The employability training program includes Communication readiness, Interview readiness, Personal Development, Work readiness, and Digital readiness.
2. There is no cost for students to attend the above-mentioned training.
3. Each training batch size will be about **50- 60 students**. Students will be required to complete the training provided within a designated period of time.
4. Sessions of duration **2 - 6** hours each are to be conducted weekly for each batch by TNSIF.
5. Students will be provided a certificate on successful completion of the course with minimum attendance criteria of **90%** (for both in-person and online training).
6. Students will be further supported in job linkages and placements by TNSIF from the time of training completion till they are placed i.e. **6-10 months** after their training is complete.
7. College is expected to support the successful training and placement of all students, once they take up this service with TNSIF.

For this purpose, TNSIF requires support of the college in the following areas:

1. Facilitating discussions and engagement with the **4th year degree** students. This involves the following:
 1. Assistance in student mobilization and batch scheduling with Candidates of Arya College, Jaipur
 2. Support in allocating batches (of about **50- 60 students** approximately) per faculty member for optimum utilization of resources and training effectiveness.
 3. Provide assistance w.r.t. conducting career fests drive and continued student participation.

1. Infrastructure support for the following:

- Lecture schedules / slots to conduct the batches
- Computer Lab equipped with adequate seating capacity for batch/s
- Software required for the execution of program
- Projector & White board facility for training.

Upon a request by TNSIF for this support, **Arya College of Engineering, Jaipur** has agreed to support and provide the appropriate assistance to TNSIF, as mentioned in this MoU.

Based on the above, this **MOU** lays out immediate next steps to be taken by both parties.

TNSIF agrees to -

- Selection eligible candidates.
- Trainers to conduct the training [Technical & Soft skill]
- Certificates to be issued to the candidates on successful completion of program.
- Job opportunities for the candidates.

Arya College of Engineering, Jaipur agrees to –

1. Mobilize candidates for the program
2. Lecture schedules / slots to conduct the batches
3. Class room and Computer Lab equipped with seating capacity for batch/s supported with Projector & White board facility for training
4. Software required for the execution of program
5. Provide one contact point that could be approached for any support related to this program.

This MOU is neither a contract, nor is it legally binding in any way, nor does it commit any financial expenditure from or for either party.

Signed:
