Dear Sir,

Greetings!

We're thrilled to hear of your interest in collaborating on the pilot phase of the **Access to Opportunity (A2O)** vertical under the **IBM SkillsBuild Program**. This initiative bridges the gap between academic knowledge and job-specific skills, empowering your students to succeed in the workforce and supporting your institution's placement goals.

Our Initiative

As part of this collaboration, CSRBOX will provide support to improve placement outcomes and address skill gaps, empowering students with the skills and confidence to succeed in their professional roles.

Funding Milestones

To ensure impactful execution, we have structured the funding in alignment with placement milestones, as outlined below:

Milestone	Candidates Placed	Funding (INR)
Milestone 1	30	25,000
Milestone 2	50	55,000
Milestone 3	70	60,000
Milestone 4	150	1,00,000
Total	300	2,40,000

Through these milestones, CSRBOX aims to place over **300 students by March 15, 2025**.

Next Steps

We're delighted to receive your confirmation. The next steps are as follows:

1. **Assign a Single Point of Contact (SPOC)** from your institution to facilitate communication for the A2O program.
2. **Schedule pre-placement talks** for final-year students to prepare them for career readiness and encourage registration on the IBM SkillsBuild platform.
3. **Collect Placement Details** for students using the attached template.

4. **Share Placement Details** in the [attached Excel sheet](#) for verification.

5. **Disburse Funds** based on agreed milestones, contingent on verification of placement details.

Important Notes:

- For each student, please attach the link to their offer letter in the template. If the link cannot be provided, a PDF copy of the offer email will suffice.
- Students placed in stipend-based internship programs are also eligible.

Please save the [attached Excel sheet](#), fill it out with the student details of your college, and share it with us.

Please don't hesitate to reach out if you need any further clarifications.

Together, let's ensure students are placed in meaningful roles and equipped with the skills and knowledge for long-term career success.

Thank you for your partnership and dedication to advancing student opportunities!

Dear Tanuj Sir

Greetings of the day!

As part of the Access to Opportunities program, we kindly request you to schedule the **Pre-Placement Talk for all your final-year students before February 10th**. Kindly confirm a suitable date at your earliest convenience.

For students who have already secured placements, please ensure they register on the **IBM SkillsBuild** platform using the following message:

Dear Students,

Congratulations on securing your placement! Your hard work and dedication have truly paid off, and we are so proud of your achievement.

To support you further in your journey, we are excited to offer you **lifetime access to the IBM SkillsBuild platform**, where you can explore certified courses to enhance your skills and grow in your career.

Registration Link: <https://sb-auth.skillsbuild.org/signup?ngo-id=0120>

How to register (Step by Step Guide): <https://drive.google.com/file/d/1Y05rQoQxUZJSxc-FRnbdTt8NSpUQnvue/view?usp=sharing>

Wishing you all the best for your future endeavors. We're here to support you every step of the way!

Warm regards

It would be highly beneficial if a faculty member could be assigned to facilitate this registration process. Please let me know if you require any assistance in reaching out to the students—I'd be happy to support.

Looking forward to your confirmation and support in ensuring a smooth process.

Subject: Confirmation of Student Placement through IBM SkillsBuild Initiative

Dear Team CSRBOX,

We are happy to announce the successful placement of several students from our institution into well-known organizations, marking a significant step in their careers.

In addition to their academic studies, the IBM SkillsBuild initiative, supported by CSRBOX, provided students with real-life learning experiences. The program offered valuable training through masterclasses, Project-Based Learning (PBL), and pre-placement talks, helping students develop essential skills for their future careers.

Furthermore, we have strengthened our placement processes through the establishment of Placement Management Units by CSRBOX and the appointment of a Placement Coordinator, creating more opportunities for our students.

We are pleased to confirm that the following students have been placed by <<College Name>> due to the unwavering support of this program:
